BRAECREST FARM
ANNUAL OPEN HOUSE AND SHOWCASE

Welcome to Braecrest Farm's first annual Open House and Showcase!

Braecrest Farm focuses on the breeding, development, training and sales of warmblood horses suitable for the Hunter, Jumper, and Eventing disciplines.

My name is Claire Hunter, and I have been involved with horses for as long as I can remember. My heart has always been in breeding these magnificent animals, training and developing them into wonderful, reliable competition and riding horses. I believe that instilling the confidence, trust, and willingness in the horses is imperative for a successful future, whether it be in the show ring, or pleasure riding at home.

Our goal with the breeding program at Braecrest Farm is to produce beautiful quality equine athletes. Our top priorities are soundness of body and mind, trainability, ability to perform, and be very competitive in their respective disciplines. With their natural kind dispositions, and the excellent foundation training and upbringing they receive here at Braecrest, our young horses develop into a group of successful athletes that are second to none in so many areas.

We have a diverse herd of broodmares at Braecrest. They are carefully selected with proven pedigrees, performance records, very sound conformation, no vices, with kind, gentle personalities. The heart of a successful breeding program is no doubt in the quality of the mares. We use a variety of world class proven bloodlines from Europe and North America, including Hanoverian, Oldenburg, Holsteiner, Selle Francais, Dutch Warmblood, and Thoroughbred.

Braecrest Farm is the go-to facility to find your next superstar prospect in Southern Ontario. We can assist you in finding the perfect young horse you've always wanted, whether it is a foal or riding horse.

Thank you for joining us today,

Sincerely,

Claire Hunter

BRAECREST SPONSORS

One of the real keys to success of our events here at Braecrest, is the support and sponsorship from the amazing companies and businesses we appreciate and rely on so much. Each of these companies we trust, and highly recommend. Everyone at Braecrest Farm would like to extend their sincerest thanks to the companies for their support.

MURCOTT DESIGN/BUILD

Murray Scott of Murcott Design/Build from Barrie, On, was our builder of choice for our new barn and arena complex. After getting quotes from 4 large companies specializing in agricultural and equestrian buildings, there was no question about choosing to go with Murcott again. We first met Murray 10 years ago when we contracted him to build our first arena and barn at the old farm in Loretto. We were very pleased with the final project and had many compliments over the years. A project of this magnitude can present many challenges and obstacles, and Murray and his crew at Murcott were always polite, efficient, and happily addressed all of our questions, concerns, and modifications along the way. We are thrilled with our final product, and are proud to recommend his building services.

DOB: January 23, 2016
Breed: Canadian Sport Horse
Sire: Braecrest Beaumont Dam: Zoe
Dam Sire: Zodiak

Price: \$7,500.00 +HST

Braecrest Bravely, known as 'Chloe' around the barn, is quite the success story. This is the first filly from her dam, Zoe, and arrived quite early and tiny, in the depths of January! We worked tirelessly for two weeks to make sure she stayed strong and got the start she needed for success. She has grown into quite the wonderful filly... in both type and personality. Chloe is by our stallion, Braecrest Beaumont. Her dam sire is Zodiak, who is by the infamous stallion, G Ramiro Z, arguably one of the most influential show jumping sires in history. Chloe has great potential for the hunter and jumper rings in her future. She has the easiest, most willing disposition you could ask for, and is a great young horse for a first time owner to bring along.

BRAECREST COVERGIRL – 2016 CSH Filly
